NEWS RELEASE

GHANA IMMIGRATION SERVICE IS NOT RECRUITING

The attention of the Ghana Immigration Service (GIS) has been drawn to a purported recruitment exercise which has gone viral on the social media.

The GIS wishes to bring to the attention of the general public that it has not embarked on any recruitment exercise neither has it engaged the services of any persons to conduct any recruitment exercise on its behalf as being purported in sections of the media.

The general public is therefore advised to ignore any such advertisement in the media and are further cautioned not to fall prey to such scams.

Consequently, the general public is hereby informed that any recruitment exercise to be conducted by the Service will be duly advertised in the national dailies and also on the official website of the Service.
